

Next Generation's Mission Statement

(Mission is defined as the overall aim of our business, our reason for being)

We make it our daily business to be the industry's best vending, dining and office coffee services company. We are honorable, innovative and proactive partners with our customers, employees, suppliers and communities.

Next Generation's Vision Statement

(Vision is what we want to become)

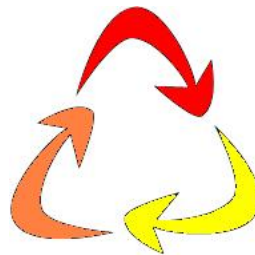

Next Generation works to deliver the best experience in vending, dining and office coffee services as the industry's most customer-focused, innovative, environmentally-friendly, health-oriented and technology-driven company.

Next Generation's Values Statements

(Values are what we believe in and what guides our behaviors)

-  We work to delight our customers.
-  Integrity is at the center of everything we do.
-  We strive to be the best employer in the industry.
-  We treat everyone with respect.
-  Innovation is our differentiator.
