

At Next Generation, we appreciate the universal appeal of a delicious, hot cup of coffee. To most, it's more than a beverage. It's a ritual. Coffee lovers rely on their daily cup to boost productivity, heighten creativity, and enhance their mood. And in a world sprinkled with coffee houses and franchise drive-through windows, they know the difference between a good cup of coffee and a timid imposter.

We believe the quality of the refreshments you provide can greatly enhance the appeal of your office environment.

To satisfy your employees' very demanding tastes, we offer:

- A variety of gourmet coffee blends
- Tea and hot chocolate selections
- A full line of cream and sugar products
- Paper goods
- Modern brewing equipment
- Premium single cup brewers
- Bottle water coolers & water filtration
- Quick deliveries

Office Coffee and Refreshment Services

Enticing. Innovative. And totally invigorating!

Innovative Solutions

Next Generation is built on the belief that good coffee makes business a pleasure. **It's our mission to delight our customers – not just satisfy their needs.** With many years of coffee and vending experience, we have established a long-standing reputation for superior service and accountability. Responding to our customers' needs on a one-on-one basis has always been our top priority and we are committed to meeting and exceeding your expectations. We provide each of our customers with a responsive and trouble-free coffee service program that will delight both management and staff.

It will be our pleasure to develop a premium service package for you.

Expert Service

Next Generation's office coffee and refreshment professionals are prompt and thorough. An in-depth checklist ensures break rooms are clean, stocked, serviced, and conveniently arranged.

Quality products, phenomenal service and attention to detail add up to a top-notch program for your company. With motivated associates and improved productivity the end result is a **delighted** customer.
